

Start broad. Grow confident. Find your path.

ACUTE CARE FLOAT POOL RN RESIDENCY

WHY CHOOSE FLOAT POOL?

BROADER EXPERIENCE

Build skills across multiple pediatric specialties and patient populations.

ONE DEDICATED TEAM

Belong to the Float Pool while becoming a trusted member of every team you support.

GREATER POSSIBILITY

Strengthen clinical judgment and discover where you want your career to grow.

YOUR ORIENTATION JOURNEY

Surgical / Neurosciences

8 WEEKS

Pediatric Medicine

5 WEEKS

Hematology-Oncology

6 WEEKS

Float Pool

2 WEEKS

AT 9-12 MONTHS Additional orientation to care for Level I & II NICU patients

THE PATIENTS YOU'LL CARE FOR

● SURGICAL / NEUROSCIENCES

Complex surgical, neurological and multispecialty patients from infancy through young adulthood.

● PEDIATRIC MEDICINE

Asthma, diabetes, cystic fibrosis, eating disorders and a broad range of medical diagnoses.

● HEMATOLOGY-ONCOLOGY

Children and young adults with common and rare cancers and blood disorders.

● LEVEL I & II NICU

Stable neonatal patients with feeding needs, jaundice, bradycardia and other neonatal conditions.

SUPPORT THAT CONTINUES

Your development continues throughout the 12-month Pediatric RN Residency Program.

- Dedicated preceptors and Float Pool leadership
- Foundational residency education
- Survive & Thrive sessions
- Clinical debriefing and peer connection
- Professional-development opportunities

ADAPTABLE. CURIOUS. COLLABORATIVE.

Our nurses contribute to shared governance, research and patient-care innovation - and become valued members of every team they join.
