

# Donation Wish List

Thank you for your interest in donating toys and other needed items to Johns Hopkins All Children's Hospital! The generosity of our community provides items for our Certified Child Life Specialists and hospital staff to provide comfort to patients and reduce the stress, anxiety and fear associated with hospitalization. Donated items are also used to normalize the hospital environment and make the holiday season, birthdays and other special events spent in the hospital memorable for our patients and families.

## Toy Donation Safety Guidelines

**In order to maintain a safe environment for our patients and families, all donations must be new, odor-free, in original packaging and purchased within the last 6 months.**
