

Get CloudCME For Your Mobile Device or PC

Access Presentations • Evaluations • Transcripts

On Your Computer

1. Log into CloudCME:

<https://hopkinscme.cloud-cme.com>

JH Employees: Sign in with Hopkins JHED ID

Others: Sign in with Email and Password

If you don't yet have a password, or to reset your password, select "Forgot Password."

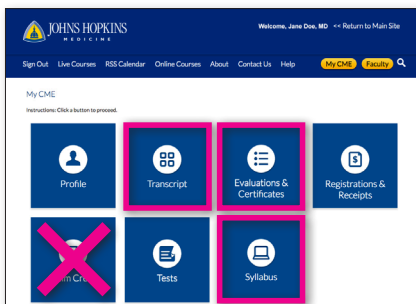

IMPORTANT: You already have an account – DO NOT create a new one. Your account is linked to the email address you used to register.

2. Once you are logged into your account, click the "My CME" button located at the top right side of the screen

3. Select

- Syllabus to view presentations
- Evaluations & Certificates
- Transcript

On Your Mobile Device

1. **Download CloudCME** from the App Store on your device, then open the app.

2. **Enter organization code:** HopkinsCME

3. **Log into CloudCME.**

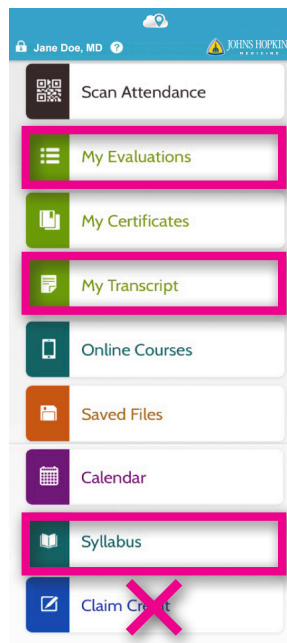

JH Employees: Sign in with Hopkins JHED ID

Others: Sign in with Email and Password

To reset your password, select "Forgot Password."

4. Select:

- Syllabus to view presentations
- My Evaluations to take the course evaluation
- My Transcript

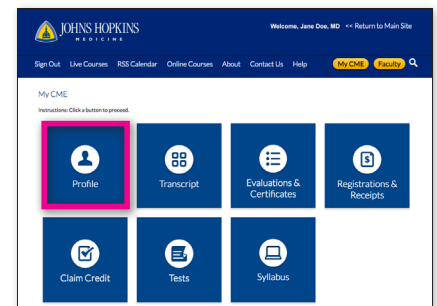

Update Your CloudCME Account

ON YOUR COMPUTER

Visit the Johns Hopkins University School of Medicine CME Portal, CloudCME, at <https://hopkinscme.cloud-cme.com> and complete the information to update your account. It is very important you include your:

- Credit categories – in order to receive credit, you must check all credit categories where you are eligible to receive credit.
- License number
- Mobile phone number – this allows CloudCME to recognize your mobile device.

From your account you can view your transcript and access the syllabus, when available.
