SHINE

Conference **2023**

The Johns Hopkins Center for Nursing Inquiry presents

The 2023 SHINE Conference

Live: April 17–April 19
(in person and virtual)

On demand: April 17–May 19

JOHNS HOPKINS
NURSING

The SHINE Conference is an annual celebration of nursing innovation and discovery. It is an opportunity to connect, learn and network with your nursing peers across the Johns Hopkins Health System. At this free hybrid conference, you can attend inspiring presentations by nurse leaders and inquiry experts, and see the latest nurse-led inquiry projects from across the health system. Join SHINE live — in person or virtually — or watch on demand.

Who Should Attend?

This conference is intended for all Johns Hopkins Health System nursing staff members, including front-line nurses, nurse managers and nursing leaders. All interested parties are welcome!

This Continuing Professional Development Activity Is Provided by the Institute for Johns Hopkins Nursing

The Institute for Johns Hopkins Nursing (IJHN) is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center Commission on Accreditation.

Criteria for Awarding Contact Hours

Participants are eligible to receive Nursing Continuing Professional Development (NCPD) contact hours for attending this conference. This year's conference will offer up to 8.0 hours of NCPD as shown below. To obtain contact hours, you must observe the event or read the poster and complete an evaluation for each, including your name and email to verify your attendance. Upon completion of the evaluation, you will be sent a certificate including the contact hours for this program. The evaluation is available as a link on the Center for Nursing Inquiry website as well as on the event Zoom platform to be accessed after completion of all requirements.

Statement of Contact Hours

This Nursing Continuing Professional Development Activity offering up to 8.0 contact hours is provided by IJHN.

How to Receive Contact Hours

You have three options to receive contact hours:

- 1) To earn 1.0 contact hour: View at least six **poster presentations** (online or in person) ONLY and complete evaluations for each poster. Viewing additional posters does not increase the contact hours received.
- 2) To earn 6.5 contact hours: Participate in the **full program** by attending and/or viewing the following and completing evaluations for:
 - a. All three of the Opening, Keynote, and Closing remarks;
 - b. Six or more posters
 - c. Four Podium Presentations
 - d. Four Education Sessions (online or in person).
- 3) To earn 1.5 bonus contact hours: View the three on-demand **leadership series facilitated panel discussions** and complete an evaluation for each.

You may choose any or all of these options for up to a total of 8.0 contact hours. These options require you to complete an evaluation, including your name and email to verify your attendance.

Content will be available to earn contact hours for this Nursing Continuing Professional Development Activity until May 19, 2023.

Relevant Financial Relationships Disclosure Statement

It is the policy of IJHN to require our continuing nursing education professional development program planning committee members and presenters to disclose all relevant financial relationships with ineligible companies. The IJHN has established policies to identify and mitigate relevant financial relationships.

The program planning committee members and presenters report that they do not have relevant financial relationships with ineligible companies to disclose.

Commercial Support

This educational activity did not solicit or receive funding from any commercial entity, including pharmaceutical and medical device manufacturers.

Off-Label Use

The program presenters have indicated that they do not intend to discuss off-label use of products in this activity.

Responsibility Statement

The Institute for Johns Hopkins Nursing takes responsibility for the content, quality and scientific integrity of this nursing continuing professional development activity.

The Institute for Johns Hopkins Nursing Mission Statement

The mission of IJHN is to share the innovations of Johns Hopkins Nursing in practice, education and research — locally, nationally and globally.

Our goal in continuing nursing professional development is to bring you programs that reflect the expertise and creativity of Johns Hopkins Nursing. Our service values are quality, integrity, flexibility and personal attentiveness. We appreciate your thoughts and welcome your concerns — please feel email us: IJHN@jhmi.edu.

Evaluation for Poster Presentations Only: 1.0

How to Obtain Additional Straight Time

Johns Hopkins Health System employees may be eligible to receive additional straight time (AST) for attending this conference. You can earn 4 hours of AST by participating in four hours of conference content anytime throughout the week. Conference content includes the live sessions, prerecorded videos in the on-demand library and posters in the virtual Poster Hall.

If you're interested in receiving AST for attending this conference, please reach out to your unit manager and/or SHINE Conference representative for more information and approval.
