

The Johns Hopkins Hospital
Department of Nursing Education
Instructions for Clinical Instructor Training Manual

Clinical Instructor Training Requirements:

JHH Nursing | Central | Clinical Instructor Training Manual

All Clinical Instructors, including those who are current employees, are to complete the Clinical Instructor Training Manual Annually (Completion Certificate to be dated within the prior 12months).

Please follow instructions below to access training Manual.

All Instructors will complete Lessons 1-10 AND the Lesson that corresponds to the Department in which they will be acting as clinical Instructor.

For questions: Laura Smith, Nursing Student Placements Coordinator, lgeshay1@jhmi.edu

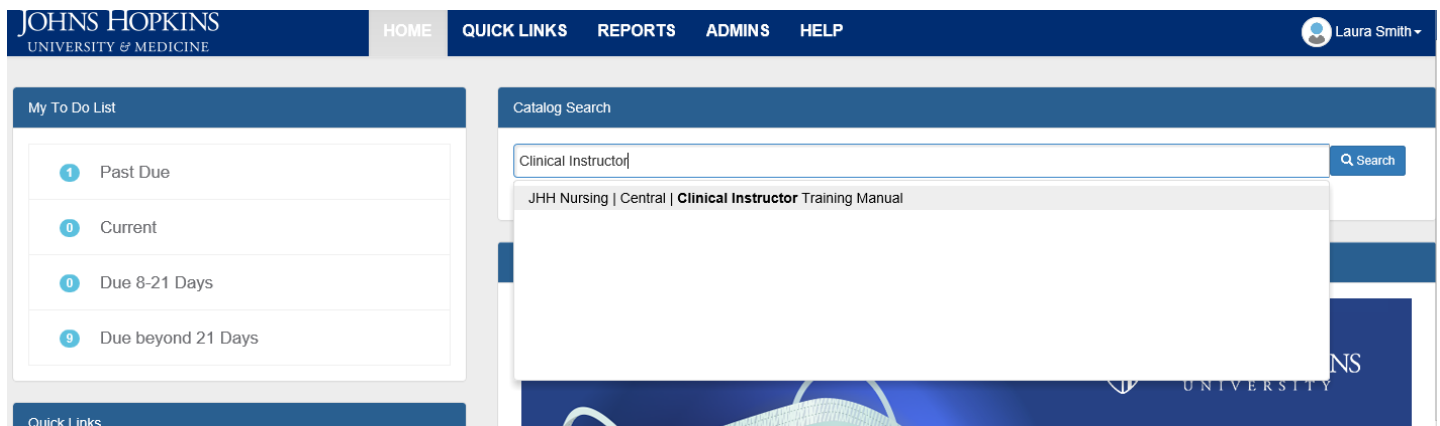

Instructions:

1. Log into my.jh.edu with your JHED ID (JHEDID@jh.edu)

3. Using the Catalog Search field, Type in **Clinical Instructor** in the search box and locate the Course entitled

JHH Nursing | Central | Clinical Instructor Training Manual

4. Complete course as directed above. Submit completion certificate to Castle Branch, or to Laura Smith, lgeshay1@jhmi.edu to complete this requirement.
