

**Johns Hopkins
Bayview Medical Center
Community Resilience
Model (CRM) Teachers**

Rev. William E. Johnson, Jr., M.Div.
Community Chaplain

What do you love about being a CRM teacher?
The opportunity to foster healing and resiliency from trauma.

Irene Struever
Imaging Systems Supervisor

What do you love about being a CRM teacher?
What I enjoy most about being a CRM teacher is how the skills I've learned don't just stay in the classroom. I've been able to practice them in my own life, share them with my family, and see how these skills benefit others.
