### **Characteristics of Learning Leaders**

- Curious
- Humble
- Relational and collaborative
- Tolerance for ambiguity or uncertainty

#### **The Transformational Power of Curiosity**

I think, at a child's birth, if a mother could ask a fairy godmother to endow it with the most useful gift, that gift would be curiosity.

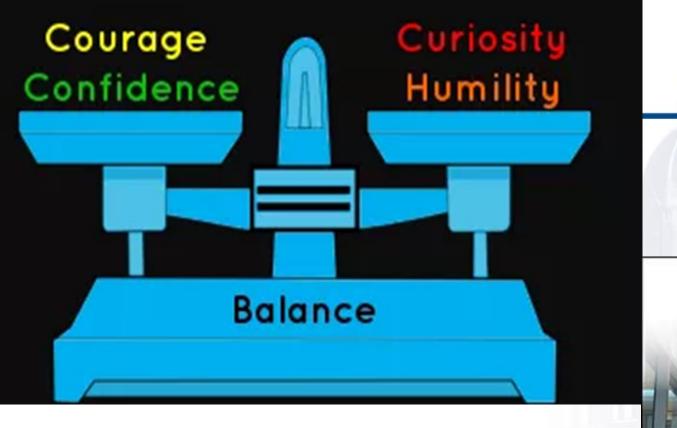

(Eleanor Roosevelt)

"..is not thinking less of yourself, but thinking of yourself less," C.S. Lewis

#### **Humble Leadership is Collaborative**

#### **Learning leadership behaviors**

- Hold space for others to talk and share ideas
- Listen to understand & do not interrupt
- Have an open mind
- Are committed to getting things right (rather than being right)
- Admit mistakes &/or limitations
- Embrace differences and diverse ideas
- Are patient and can tolerate uncertainty
- Build a learning culture.

#### Learning leaders also show empathy

Humility is the soul. Curiosity is the mind. Empathy is the heart.

istening Everyone feels Welcome + valued Everyone is invested in improving society/organisation/team Retter outcome for all

Every minute of every day brings new opportunities to learn something we've never known before.

### **Building a learning habit**

- HABITS
- 1. Identify something you want to learn & why
- 2. Be specific
- 3. Set a measurable goal
- 4. Schedule times and reminders on your calendar
- 5. Consider using a behavioral cue
- 6. Monitor your learning efforts what's working & what's not
- 7. Spend time with other learners
- 8. Celebrate your learning habit and where it leads you!

## Never be afraid to try new things, and make some mistakes, it's all part of life and learning.

### Questions to try with your team

- What are we able to do now that we weren't able to do three months ago?
- What did we learn that made this possible?
- How did we support each other's learning and growth?
- If we look back three months from now, what else would you hope to have learned?
- How can we make that happen?
