

DIABETES SELF-MANAGEMENT TRAINING (DSMT)

HOW TO PEND A REFERRAL

Ambulatory Referral to Diabetic Education - REF20

Step 1: Contact Initiation/ Search Order

The screenshot shows a medical software interface with a navigation bar at the top containing 'Care Plan', 'SnapShot', 'Chart Review', 'FYI', 'CRISP', and 'Contact Initiati...'. A red box highlights the 'Contact Initiati...' button, with a red arrow pointing to it. Below the navigation bar, the patient information is displayed: '2/8/2022 visit with Chui Kwan Lee, RN for Patient Outreach'. The 'Contacts' section shows a table with columns for 'Date/Time', 'Type', and 'Contact'. A single entry is visible: '02/08/2022 03:32 PM', 'In Person (Outgoing)', and 'Bell, Joseph I'. Below this, the 'Reason for Contact' section is visible, with a grid of buttons for various reasons such as 'Screening-Care Mgmt', 'Assessment-Car...', 'Care Coordinatio...', 'Assistance-Care ...', 'Transitional Care ...', 'Transfer of Care-...', 'Case Status Upd...', 'CCT DM Clinical ...', 'CCT HTN Clinical...', 'CCT Depression ...', 'CCT CHF Clinical...', and 'CCT CVA Clinical...'. At the bottom, a search bar is highlighted with a red box, containing the text 'Search for new orders' and a plus sign. A red arrow points to the search bar.

Step 2: Search Order

Suggested Terms for Order Search

- DSMT
- DSMES
- Diabetes
- Diabetes Education
- Diabetes Self-Management
- REF20

The screenshot shows an 'Order Search' interface with a search bar containing 'REF20'. Below the search bar, there are three sections: 'Panels (No results found)', 'Outpatient Medications (No results found)', and 'Outpatient Procedures'. The 'Outpatient Procedures' section is expanded, showing a table with columns for 'Name', 'Freque...', 'Type', 'Pref List', 'Code', and 'JH'. A single result is visible: 'Ambulatory referral to Diabetes Services/Education', 'Referral', 'AMB END R...', and 'REF20'.

Step 3: Fill Out Order
