

Memory Center New Patient Appointment Request Requirements

Required Documents:

Office notes from last 2 visits with referring provider and Primary Care History and Physical
Referral *(if required by insurance)*
Demographic Sheet
Insurance Information
Name and number for best contact to call for scheduling
(must be patient, family member, friend or caregiver)

Additional Requested Documents:

(these are not required, but please provide if available)

Recent bloodwork
Mini Mental or MOCA
Brain scans *(patient should bring copy of disc to visit)*
Neuropsychological Testing

ALL required documents must be provided prior to patient appointment being booked. Fax all documents to 410-550-5992; please note that we are regularly booking 4-6 months in advance for most of our providers. Please allow 1-2 weeks for records review and scheduling turn around.

Thank you!
