

PRIMARY OVERSIGHT COMMITTEES	CONTACT
<p><u>ACUC: Animal Care and Use Committee</u></p> <ul style="list-style-type: none"> • Ensures animals used in teaching and research are in compliance with the Animal Welfare Act regulations and Public Health Service (PHS) Policy • Review of any kind of human cells or cell lines transplanted into animals (e.g. teratoma assay) <p>> see eIRB application section 23 item 3.0 > see eISCRO application section 10</p>	<p>Email: acuc@jhmi.edu</p>
<p><u>IBC: Institutional Biosafety Committee</u></p> <ul style="list-style-type: none"> • Reviews registrations for Human tissues, Recombinant or Synthetic Nucleic Acid Molecules, Pathogens, potential Infectious Agents, Biological Toxins, and Human Clinical Trials that involve the use of these materials as mandated by the National Institutes of Health and/or Johns Hopkins Institutions Policies <p>> see eIRB application section 23 item 7.0 to upload registration number > see eISCRO application section 9 to upload registration documentation</p>	<p>Email: ibc@jhu.edu</p> <p>Phone: 410-955-5918</p>
<p><u>JHM IRB: Institutional Review Board</u> [eIRB]</p> <ul style="list-style-type: none"> • Review of research projects involving human subjects or human biospecimens (with or without identifiers) • Involved in requests for approval to send study data/biospecimens to an outside entity 	<p>Help Desk Email: jhmeirb@jhmi.edu</p> <p>Help Desk Phone: 410-502-2092</p>
<p><u>ISCRO: Institutional Stem Cell Research Oversight</u> [eISCRO]</p> <ul style="list-style-type: none"> • All research using human embryonic stem cells (hESCs) • All research involving somatic cell nuclear transfer (SCNT) involving human cells • Research using other hPSCs (e.g., human induced pluripotent stem cells [“iPSCs”] and human embryonic germ cells [“hEGCs”]), where research involves: <ul style="list-style-type: none"> ○ Introduction of such cells into humans ○ Introduction of such cells into the central nervous system of non-human primates ○ Introduction of such cells into non-human animals <i>and</i> there is a significant possibility of the cells giving rise to gametes ○ Derivation of gametes or embryos from such cells ○ Formation of embryo models derived from such cells ○ In vitro culture of chimeric embryos (hPSCs introduced into non-human embryos) <p>> IRB approval may also be required for this type of research.</p>	<p>Email: ISCRO@jhmi.edu</p>

ANCILLARY REVIEW COMMITTEES	CONTACT
<p><u>BTC: Biospecimens Transfer Committee</u></p> <ul style="list-style-type: none"> Reviews transfer of human biospecimens to outside entities <p>> see eIRB application section 23 item 4.0</p>	<p>Contact: jh-biospecimens@jh.edu</p>
<p><u>COI: Committee on Outside Interests</u> [eDisclose]</p> <ul style="list-style-type: none"> Reviews and manages disclosures and conflicts of interest, and arrangements that have potential for conflict of interest Makes recommendations to the Dean of the School of Medicine (or the Dean's designee, the Vice Dean for Research) and to the Johns Hopkins Medicine IRBs May require PI action in IRB and ISCRO applications Disclosure and management required before application approval <p>> see eIRB application section 8 > see eISCRO application section 4</p>	<p>Email: policy@jhmi.edu</p>
<p><u>Data Trust</u></p> <ul style="list-style-type: none"> Overall governance of JHM data Projects requiring Data Trust review are listed here. 	<p>Email: datatrust@jhmi.edu</p>
<p><u>MFMTC: Maternal Fetal Medicine Tissue Committee</u></p> <ul style="list-style-type: none"> Evaluates if proposed research protocols involving fetal tissue, cord blood, or placenta from JHH will be conducted according to current guidelines and regulations Determines whether there are enough specimens that can be used for research <p>> see eIRB application section 23 item 3.0, 5.0</p>	<p>Contact: Jena L. Miller, M.D. jmill260@jhmi.edu</p>
<p><u>Pathology (Tissue/Specimen Use Committee)</u></p> <ul style="list-style-type: none"> Reviews all requests for prospective collection of tissue if any portion of that tissue is obtained as part of a clinically indicated treatment or diagnostic process Determines whether there are enough specimens that can be used for research Human subjects research projects, including research that may meet the requirement for exemption from IRB review, must be reviewed and approved by one of the JHM IRBs prior to beginning the research in order to use archived tissue from pathology <p>> see eIRB application section 23 item 3.0</p>	<p>Contact: Serena M. Bagnasco, M.D. sbagnas1@jhmi.edu</p>
<p><u>REITC: Reproductive Endocrinology and Infertility Tissue Committee</u></p> <ul style="list-style-type: none"> Evaluates if proposed research involving human embryos, eggs or sperm will be conducted according to current guidelines and regulations Procurement of human embryos, eggs or sperm 	<p>Contact: Valerie L. Baker, M.D. valbaker@jhmi.edu</p>

INSTITUTIONAL AGREEMENT ENTITIES	CONTACT
<p><u>CRC: Clinical Research Contracting</u></p> <ul style="list-style-type: none"> Review, negotiation, and signature of all commercially sponsored clinical research 	<p><u>Support Services</u> <u>Contact Information</u></p>
<p><u>JHTV: Johns Hopkins Technology Ventures</u></p> <ul style="list-style-type: none"> Provides oversight of Intellectual Property management and technology transfer to ensure adherence to University policies 	<p>Email: JHTT-communications@jhu.edu</p> <p>Phone: 410-614-0300</p>
<p><u>JHURA: Johns Hopkins University Research Administration</u></p> <ul style="list-style-type: none"> Reviews sponsored project administration for the various schools of Johns Hopkins University other than the School of Medicine The JHU School of Medicine has its own office: (See ORA) 	<p>Email: jhura@jhu.edu</p> <p>Phone: (443) 927-3073</p>
<p><u>Office of Procurement Services</u></p> <ul style="list-style-type: none"> Fee for service/vendor agreements 	<p>Email: purchasing@jhu.edu</p> <p>Help Desk Phone: 443-997-1000</p>
<p><u>ORA: Office of Research Administration</u></p> <ul style="list-style-type: none"> Review and submission of all SOM grant applications Review, negotiation and signature of all grant awards Negotiation and signature of all research contracts and other research-related agreements including incoming and outgoing Material Transfer Agreements 	<p>Email: ORA@jhmi.edu</p>
