

## PROGRAM OF EVENTS

### White Coat Ceremony Class of 2029

Welcome students, parents, families, friends, and faculty members to this milestone event honoring our first-year medical students, as they declare their professional commitment to the clinical care of patients. The presentation and cloaking of the white coat – a symbolic mantle of the medical profession – confers a commitment to the cherished values of being a physician: humanism, compassion, altruism, leadership, excellence, and devotion to the well-being of others. The Deans' Office, in concert with the Colleges Advisory Program and the Class of 2029, proudly sponsors this event.

The Colleges Advisory Program (CAP), the student-faculty learning community at the School of Medicine, supports the first-year class in hosting its White Coat Ceremony. The School of Medicine actively supports students in their journey to become physicians, and this ceremony marks an important milestone on this path. We appreciate your presence as we celebrate our students' accomplishments and commitment to serving their future patients with extraordinary devotion and compassion.

***Following the ceremony, join us on the Turner Concourse for refreshments.***
