JOHNS HOPKINS GIVING CAMPAIGN

Help provide essential support to our neighbors in need with your gift today.

****all payroll deductions made during the 2025 campaign will automatically roll over into the current campaign year***

Why Give Through The United Way Campaign?

- ✓ **Easy and automatic**

Set it up through payroll deduction and give all year long.

- ✓ **Small gifts make a big impact**

Even \$10 per paycheck adds up and supports causes you care about.

- ✓ **Flexible giving**

Support your local United Way, your favorite nonprofits, or both.

- ✓ **Give back year-round**

A simple "set it and forget it" way to make a difference every paycheck.

Bottom line:

United Way makes charitable giving easy, flexible, and affordable.

Power of Collective Giving

If every JHM employee gave just \$5/paycheck through e-pledge, almost \$5 million would be given to our community.

Together, we make an impact.

The 2026 JHM Fundraising Goal is \$1 Million
