

Instructions for Supplemental Documents for Wilmer StARR

Please submit a personal statement consisting of a brief (200 words or less) description of your past research work, including a description of the research question(s), hypotheses, and findings. Additionally, please describe the specific research techniques and methodologies you are proficient in and where you'd seek to build new skills (200 words or less). Finally, please describe your ultimate career goals and potential areas of future research interest, including potential Wilmer mentors who may fit with these research interests (100 words or less).

The personal statement should be no longer than 500 words.

Please provide one citation for your single most important or noteworthy publication.

If you have not already submitted a letter of recommendation from your primary research mentor as part of the CAS application, please include that as a supplementary item. You may include up to 2 additional letters from current or former research mentors (optional).

Please compile your supplemental documents into a single PDF file and ensure that the filename follows this configuration: LASTNAME_FIRSTNAME_SFMATCHID.pdf

Files can be uploaded to this link: [StARR Supplement Upload](#)

Letter writers can also upload the optional letters into the same upload folder. Please remind letter writers to include the applicant's name and SF Match ID in the filename.

The deadline for all supplemental items to be uploaded to the link posted above is Tuesday, October 6, 2026, at 12pm EST.
