# THE TRIFECTA

A series of discussions about  
integrating the pursuit of  
promotion with life and family.

**Sharon D. Solomon, M.D.**, is the Katharine M. Graham Professor of Ophthalmology at the Wilmer Eye Institute. Dr. Solomon was the first Wilmer faculty inducted into the prestigious Miller Coulson Academy of Clinical Excellence at Johns Hopkins, and she has served as the principal investigator at Wilmer on several NIH-sponsored clinical trials. She was the first full professor of African descent in the history of the Wilmer Eye Institute. In 2022, she was inducted into the “Indispensable Role of Blacks” at Johns Hopkins University. She finds immense joy in and is anchored by her loving family — a husband and twin boys.
