

## [FAMILY INVOLVEMENT MENU]

---

### Welcome to the WICU

We believe that you know the person that we are caring for far better than we do.

We would like to invite you to participate in your loved one's care.

Listed are options that you may choose.

If there is a particular care that you would like to assist with and it is not listed please speak with your nurse.

We will provide instruction as needed for each of the following according to your comfort level.

- Oral Care
- Incentive Spirometer
- Range of Motion
- Back Care
- Leg Care
- Assist with Ambulation
- Assist with Feeding
- Hand Care
- Shampoo
- Shave
- Pillow Repositioning
- Distraction- Music, TV, Reading
- Oscar Boot Repositioning

Thank you for your help, we are in this together!
