

Cloth Face Mask

CHILD SIZE

INSTRUCTIONS

The instructions below are for child size cloth face masks.

The steps apply to all sizes of masks except for the cut of the material.

MATERIAL SIZE

- **PRE-K (2–5 years old)**—6 x 6 inch squares
- **SCHOOL AGE (5–12 years old)**—7 x 7 inch squares
- **ADOLESCENTS (13–15 years old)**—9 (width) x 6 (height) inches

INSTRUCTIONS

- 1 Cut squares of two ply 100% cotton fabric to appropriate size.
- 2 Cut ear loops (5–7 inches depending on stretch of fabric).
- 3 Place loop ends between the two layers of fabric.
- 4 Form two pleats as pictured.
- 5 Finish with two rows of top stitch around the mask.
