

COVID-19 Testing

The Johns Hopkins Hospital – Baltimore, MD

Your doctor would like you to undergo testing for COVID-19 and has placed an order. Within 24-48 hours, you will receive a call from a coordinator, who will schedule an appointment for you. We would like you to come to a Johns Hopkins Facility-community collection site (NOT the Emergency Department) for this non-emergency testing. Testing requires an appointment. Please do not come to the hospital or testing facility without the appointment. Do NOT use public transportation or rideshare. Please bring a government issued photo ID.

The Johns Hopkins Hospital Community Collection Site

Please come to the drive-through testing site at the Johns Hopkins Hospital, located at **1550 McElderry Street, Baltimore, MD 21205**. This is in the Caroline Visitors Garage. This Testing site **does** allow scheduled patients to walk into the garage testing location when necessary.

Follow the below directions for testing at the Johns Hopkins Hospital:

1. From Caroline Street, turn east onto McElderry Street.
2. You will see parking garages on either side but do not enter them.
3. Go past the entrances and turn right to go around the McElderry Circle
4. You will see a security officer wearing a green vest at the end of the circle.
5. The security officer will ask you to confirm your name and appointment time.
6. The security officer will direct you to enter the garage.
7. Pull a parking ticket and follow the signs to the testing location.
8. While still in your vehicle, swabs will be collected by our staff.
9. We will provide you with follow up care instructions and expectations about results.
10. Please do not enter any of the hospital buildings during your visit.
11. Please respect patient and staff privacy. Taking photos/videos is not permitted.

Pre-Procedure, Asymptomatic, COVID-19 Testing

The Johns Hopkins Outpatient Center – Baltimore, MD

For patients without symptoms, who are scheduled for elective surgeries and procedures at a Johns Hopkins facility, you will receive a call from a coordinator based on the date of your procedure. The coordinator will schedule an appointment for you and provide further instructions. Testing requires an appointment. Please do not come to the hospital or testing facility without the appointment. Please bring a government issued photo ID.

Johns Hopkins Outpatient Center: Baltimore, Maryland

Please come to the Johns Hopkins Outpatient Center located at **601 N. Caroline Street, Baltimore, MD 21287**.

Follow the below directions for pre-procedure testing at the Johns Hopkins Outpatient Center Ambulatory Testing Center:

1. Park in the McElderry Garage located on the west side of campus, in front of the Outpatient Center.
2. The garage entrance is off N. Caroline Street. The GPS Address is 1502 McElderry Street, Baltimore, MD 21287
3. Enter the Outpatient Center at the revolving door.
4. Advise the security officer and entrance screener that you are here for pre-procedure testing.
5. You will be directed to the Ambulatory Testing Center on the first floor.
6. After entering the Testing Center, you will provide your name to the person at the desk.
7. Our staff will collect swabs and provide you with follow up instructions and expectations about results.
