

# COVID-19 Testing

## Sibley Memorial Hospital – NW Washington, DC

Your doctor would like you to undergo testing for COVID-19 and has placed an order. Within 24 hours, you will receive a call from a coordinator, who will schedule an appointment for you. We would like you to come to a Johns Hopkins facility community-collection site (NOT the Emergency Department) for this nonemergency testing. Testing requires an appointment: Please do not come to the hospital or testing facility without the appointment. For the safety of others, if possible, please come alone. If others come with you, they should remain in the car while you are at the hospital. Do NOT use public transportation or rideshare. Please bring a government-issued photo ID.

### Sibley Memorial Hospital: Northwest Washington, D.C.

Please come to the testing site tent at Sibley Hospital, located at **5525 Loughboro Road, NW Washington, DC, 20016**. This testing site **does not** allow scheduled patients to walk to the testing tent.

### Follow the directions below for testing at Sibley Hospital:

1. Upon entry to the campus, follow signs toward the Emergency Department.
2. Keep your windows up.
3. When you approach the Emergency Department turnaround area, you will see signage for the testing area.
4. Stay to the left as you enter the turnaround circle.
5. Pull forward to the first stop sign and wait for staff direction.
6. Staff will instruct you when it is appropriate to pull into the testing tent.
7. You will be asked to display your ID in the car window so it may be viewed.
8. At no time do you need to exit your vehicle.
9. Attendant will instruct you to drive around to the testing site.
10. Please respect patient and staff privacy. Taking photos/videos is not permitted.
