

COVID-19 Testing

The Johns Hopkins Hospital – Baltimore, MD

Scheduling:

COVID-19 testing requires an appointment.

Your doctor will need to place an order for you to undergo COVID-19 testing.

Once the order is placed, you will be issued an appointment ticket and may self-schedule your COVID test via MyChart.

If testing is for an upcoming procedure, you will receive a call from a coordinator who will assist you in scheduling the appointment.

The Johns Hopkins Hospital Community Collection Site:

Testing is located at **601 N. Caroline Street, Baltimore, MD 21287**. This is the Caroline Visitors Garage.

The location offers drive-through testing.

The site does allow scheduled patients to walk into the testing location when necessary. The walk up area is wheelchair accessible.

Whether driving or walking, please check-in at the security officer station located in the circle drive.

Please bring a government issued photo-ID with you to your appointment.

Directions:

1. From Caroline Street, turn east onto McElderry Street.
2. You will see parking garages on either side but do not enter them.
3. Go past the entrances and turn right to go around the McElderry Circle
4. You will see a security officer wearing a green vest at the end of the circle
5. The security officer will direct you into the garage.
6. Pull a parking ticket and follow the signs to the testing location. There will be no charge.
7. While still in your vehicle, swabs will be collected by our staff.
8. Please respect patient and staff privacy. Taking photos/videos is not permitted
