

Indoor Symptomatic COVID-19 Testing

The Johns Hopkins Hospital: Phipps Building – Baltimore, MD

Please call Patient Registration at 410-955-2688 prior to entering the testing location. You will receive further instructions at that time.

For the safety of others, if possible, please come alone. DO NOT use public transportation or rideshare. Please bring a government-issued photo ID. Once on-site follow instructions given by Patient Registration. Enter and immediately exit using the same path. You will receive your test results via MyChart. If you park in the Phipps circle, please leave immediately after your test is complete as parking is limited. Call 410-955-2688 if you have any difficulty accessing this location.

The Johns Hopkins Hospital: Phipps Building – Baltimore, MD

Please come to the testing site location at The Johns Hopkins Hospital, Phipps Building, 1st Floor, Room 140, located at **600 N. Wolfe Street, Baltimore, MD 21287**.

Follow the directions below for testing at The Johns Hopkins Hospital: Phipps Building:

Entering the campus from Wolfe Street: Drive to 600 N Wolfe Street, pull into the roundabout and park in one of the dedicated testing parking spots or speak to a security officer for appropriate parking. Once you park, please call Patient Registration at 410-955-2688 to let us know that you have arrived. You will receive further instruction at that time.

Entering from inside the hospital: Walk towards the Wolfe Street entrance information desk in the Nelson/Harvey building. Exit to outside and make an immediate right toward the side of the Phipps Building. You will see signs for the “Queuing Area” to the right. Once you arrive at the “Queuing Area”, please call Patient Registration at 410-955-2688 to let us know that you have arrived. You will receive further instruction at that time.
