

Office of Diversity and Inclusion

April 3, 2020

**Please see this week's announcements from the Johns Hopkins Medicine, Office of Diversity and Inclusion.**

## **COVID-19 RESOURCES INFORMATION**

As we face this unprecedented challenge of the COVID-19 outbreak, we would like to highlight available resources for our Hopkins community. Please share this information with those in your areas that do not have access to emails. Please also continue to pay attention to the updates from JHM leadership.

### **JHM Internal List of Resources**

For a list of all of the JHM Staff Resources [click here](#).

For a list of all of the JHM Clinical Resources [click here](#).

For a list of Johns Hopkins Children's Center resources for families [click here](#)

### **NEW: Johns Hopkins Medicine, Food For Hopkins Program**

Johns Hopkins Medicine, Office of Diversity and Inclusion and the Department of Pediatrics have collaborated with the Maryland Food Bank to establish an emergency food program called Food For Hopkins. Employees in need of food can pick up breakfast and lunch/dinner items beginning **April 6<sup>th</sup>** from the Armstrong Medical Education Building, 2<sup>nd</sup> Floor Lobby (1600 McElderry Street, inside the JHOC circle). We are working to expand this program to the Bayview campus. Please see the attached flyers in English and Spanish with pick up times information, etc.

If you would like to provide anonymous feedback about Food for Hopkins or to suggest other ways Hopkins can help their employees, please go to: <https://bit.ly/FoodforHop>

You can reach **mySupport** 24/7, 365 days a year, by phone at [443-997-7000](tel:443-997-7000) or [online](#). For online access, you will need to use the following: Username: JHU Password: JHU

### **JHM Virtual Town Meeting on COVID-19 – Part One**

If you haven't already done so, watch a video of the **virtual Town Meeting on COVID-19**, with **Dr. Paul Rothman**, dean of the medical faculty and CEO of Johns Hopkins Medicine, and **Kevin Sowers**, president of the Johns Hopkins Health System and executive vice president of Johns Hopkins Medicine. Kevin Sowers talks with **Dr. Lisa Maragakis**, who is helping to lead JHM's COVID-19 response. They talked about preventing the spread of COVID-19 and the use of personal protective equipment.

### **Hopkins Highlight**

As the need for ventilators increase, Engineers at Johns Hopkins are working on a device that can be used to aid multiple coronavirus patients. Please see this news article from the [Baltimore Sun](#).

# **ANNOUNCEMENTS**

## **NEW: JHM Office of Diversity & Inclusion Achievers Award Nominations**

We are pleased to continue the Achievers Award Program recognizing and highlighting underrepresented minorities across Johns Hopkins Medicine who exemplify excellence and exhibit our Johns Hopkins core values. Recipients will be recognized during **LGBTQ+ Pride Month in June**.

Johns Hopkins Medicine faculty, staff and learners who meet the following criteria are eligible to be nominated:

- Must be of the LGBTQ+ community
- Employed at Johns Hopkins for at least 1 year
- Must be in good standing (attendance and good performance evaluations)
- Must exemplify JHM core values
- Demonstrates contributions to the communities they serve and/or represent
- Contributes to the healthcare field and/or their surrounding communities

Award recipients will be profiled on the Johns Hopkins Medicine Office of Diversity and Inclusion website, on Inside Hopkins, and at signature Employee Resource Group events during the month of June.

Please take a moment to **nominate a deserving colleague** for this award. The nomination period will run through **April 30, 2020**.

## **NEW: Updates from Veterans ERG (VERG)**

We wanted to provide a few updates from the Veterans ERG (VERG).

- At our last VERG meeting, we discussed having a Memorial Day celebration in May. Due to the uncertainty of COVID19, we have decided to cancel that event.
- We can all help in different ways battling COVID-19. Some of you are with our patients or supporting functions. Some of us are working from home and may have some flexibility. We are most appreciative for Bob Maloney, VERG's Executive Champion, who has been working on the front lines tirelessly, guiding Johns Hopkins Medicine through this healthcare crisis.

If you would like to help, please visit the blog to find a great way to get involved. We can all help!

## **NEW: Complete the 2020 Census**

Please do your part to support your community's health and long-term prosperity. Complete the U.S. census at [census.gov](https://www.census.gov) now. It takes only a few minutes, and you can do it online, over the phone or by mail. Learn more about the census on [the Hub](#).

**The census period officially started on April 1<sup>st</sup> and the due date has been extended to August 14<sup>th</sup>.**

Census results have an impact on planning and funding for health clinics and highways, fire departments and disaster response, education programs such as Head Start and college tuition assistance, and so much more so we urge you to complete them and encourage others to do the same.

## **Celebrating National Minority Health Month**

In April we celebrate National Minority Health Month. Here's a link to the partner social media and outreach toolkit with resources in English and Spanish from the US Department of Health and Human Services, [Office of Minority Health](#)

## **MDH, Office of Minority Health and Health Disparities Fiscal Year 2021 Request For Funding Applications**

The Maryland Department of Health, Office of Minority Health and Health Disparities seeks interested organizations to apply for the fiscal year 2021 Minority Outreach and Technical Assistance Grant. This is a two-tiered grant opportunity meaning for both first time applicants and applicants who have previously been funded by MHHD. See attached document for more information.

A pre-application training session will be held for interested applicants on **Tuesday, April 7, 2020 from 3:00 pm – 4:00 pm by webinar/conference call.** Access information can be found on the [MHHD Website](#)
