Article: Depression and Black Women

Read Dr. Erica Richards, Chair and Medical Director for the Department of Psychiatry and Behavioral Health at Sibley Memorial Hospital's contribution to this CNN article that explores the significant impact of former First Lady, Michelle Obama admission of experiencing a "low-grade depression" on an episode of her podcast. "In the Black community, a lot of times mental health is really not the focus of discussion," Richards said. "And what that leads people to believe is that, 'Well, it's not something that my race, my culture, my people, identify with.'" [Read the article](#)
