Community Contributions FY 2015

- 475+ community partners and programs captured in the Community Engagement Inventory
- 2,100+ hours of student, faculty, and staff volunteer time through MSOH programs and offices
- $188 million in Total Community Benefits & Charity Care reported by The Johns Hopkins Hospital to the Health Services Cost Review Commission in FY 2014.

Johns Hopkins Family Serving the Community

Standing with our Community

The East Baltimore Community Affairs (EBCA) Office represents the multi-institutional East Baltimore campus in planning, implementing, and coordinating comprehensive approaches to community issues. By interfacing with a broad range of nonprofits and local community organizations, EBCA works to improve health, education, housing, public safety, employment, and economic development within the East Baltimore community, and plays a critical role in a wide variety of community and economic development projects, all with the ultimate goal of improving quality of life in East Baltimore.

East Baltimore Community Affairs is proud to work with more than 100 community partners, including:
- Baltimore City Public Schools
- Baltimore Curriculum Project
- Banner Neighborhoods
- Caroline Center
- Civic Works
