Check out the WAG Toolkit. *Join the new WAG Sympa listserv!* Welcome email will be sent out on Friday, September 10th.

A Writing Accountability Group (WAG) is an active writing group that meets once a week over a 10-week block and follows a strict agenda of 15 minutes of updates and goal-setting followed by 30 minutes of individual writing, and then 15 minutes of reporting and wrap-up (there is no peer review of your writing – the WAG is focused on developing a process and habit of writing). A WAG is limited to 4-8 members and you MUST commit to attending at least 7 of the 10 weekly sessions. We guarantee that if you adhere to the plan, you will achieve increased writing productivity (quantity and quality), have greater control over the writing process, experience improved goal-setting and time management, and as a bonus, you’ll establish relationships with new colleagues and friends.

Thank you dear faculty members! We stand ready to move forward together.
