**Wednesday, October 21, 2020 10-11 am** [Zoom for Online Teaching](#)

**Principles & Practice of Curriculum Development 16-hr Workshop: Now being offered by Zoom!**
Monday, October 5 and Monday October 12, 2020 8:00am-5:00pm

This two-day workshop provides an in-depth overview of curriculum development principles, and facilitated exercises in applying the six curriculum development steps. This course is designed for faculty who are responsible for adapting or developing a curriculum and who desire a framework and tools for approaching the task at hand. Interested individuals should email Program Coordinator, Christy Swain at [cswain6@jhmi.edu](mailto:cswain6@jhmi.edu) to setup a 15-minute phone meeting with program director, Dr. Belinda Chen.

[Foundations of Educational Scholarship](#)
Monday, October 19, 2020 from 8:00am-12:00 pm for an internet live activity: Foundations of Educational Research (FES)

This 1/2 day foundational course covers the why, what, and how of medical education scholarship. This course targets educators who wish to learn skills specific to medical education scholarship and become aware of institutional and outside resources. The goal of this workshop is to provide educators with exposure to the basics of medical education research.
Please contact activity directors, Dr. Rachel Levine rlevine@jhmi.edu, Dr. Joseph Cofrancesco Jr. joeco@jhmi.edu or Dr. Stephen Sozio ssozio@jhmi.edu with any questions or concerns about this internet activity. This activity has been approved for AMA PRA Category 1 Credits™.

**Foundations of Teaching and Learning**

Monday, October 26, 2020 from 1:00pm-5:00pm. The goal of the Foundations of Teaching and Learning course is to build the collective teaching capacity of healthcare educators, in order to ensure teaching excellence and educator satisfaction in their teaching and learning roles. Course limited to 30 participants.

**Other Resources**

**Tips for Faculty Conducting Residency and Fellowship Virtual Interviews**

Session presented by Dr. Laura Hanyok, Assistant Dean for Graduate Medical Education, includes practical tips about technology and interview best practices. View the [slides](#) and [video](#).

**Looking for information and tips for the upcoming virtual recruitment season for clinical trainees?** Webinar on Clinical Trainee Virtual Recruitment with Dr. Michael Melia (Fellowship Program Director in Infectious Diseases), includes overview of national recommendations, recruitment timelines, strategies and tips for faculty interviewers. [OneDrive link](#)

**Looking for tips and strategies to enhance your virtual clinical teaching with medical students and residents?** Experienced clinician educators share lessons learned from transitioning to virtual clinical teaching in a series of short interviews and a panel discussion.

- [Interview: Virtual Clinical Inpatient Teaching with Dr. Shannon Walker](#)
- [Interview: Virtual Clinical Outpatient Teaching with Dr. Jeremy Epstein](#)

**Recording: Zoom Series Tips for Online Teaching: Virtual Clinical Teaching and Precepting Panel Discussion** from June 12, 2020

Recording of a panel discussion and Q & A with Drs. Broderick, Colburn, Robertson and Goeddel who’ll share their experiences and tips for using virtual platforms for clinical teaching and precepting.

**Panel Members:**

- Kristen Broderick, MD, Assistant Professor, Department of Plastics and Reconstructive Surgery
- Jessica Colburn, MD, MPH Assistant Professor, Department of Medicine, Divisions of Geriatric Medicine and Gerontology and General Internal Medicine
- Mariah Robertson, MD, MPH, Fellow, Clinician Educator Pathway, Department of Medicine, Division of Geriatric Medicine and Gerontology
- Lee Goeddel, MD, MPH Assistant Professor, Department of Anesthesiology/Critical Care Medicine, Program Director, Anesthesiology Critical Care Medicine Fellowship

Thank you, faculty members, for all that you do!
