

Occupational Health Department
 Medical Arts Building, 11085 Little Patuxent Parkway, Columbia, MD 21044
 Phone: 410-740-7838 – Fax: 410-740-7685 – Email: HCGHEmployeeHealth@jhmi.edu

THE FOLLOWING TESTS/VACCINATIONS MUST BE COMPLETED PRIOR TO ORIENTATION:

2-Step Tuberculosis Skin Testing (TST) or TSPOT/QUANTIFERON BLOOD TEST - one of the following:

- **TST #1 and #2** – One completed within the last 12 months and one baseline placed in Occupational Health
- **TSpot/Quantiferon** within last 6 weeks counts as both TST’s
- **TSpot/Quantiferon** within last year counts as one TST (you will need a baseline TST to be placed in Occupational Health)
- **Negative Chest X-ray** (within the last year) - with written proof of past positive PPD
- **Positive Chest X-Ray** (within the last years) - with full Return-to-Work clearance from your treating provider in the last 3 months

Confirmation of vaccination *or* proof of immunity to the following:

Required Vaccinations		Required Proof
Measles (Rubeola)	MMR	You will need a written copy of proof of your vaccinations or written copy of proof of your blood titers, <u>no matter how long ago you received them</u>
Mumps		
Rubella - (German Measles)		
Varicella - (Chickenpox)		
Hepatitis B		
TDap – (one within last 10 years)		
Influenza (Flu) - during flu season September – May annually		

Urine Drug Screen (UDS)

Please assure that you are hydrated and can provide a urine sample.

Brief History and Physical

Please dress appropriately and comfortably with loose enough clothing for the nurse to be able to take your blood pressure and provide vaccinations if needed.
