

Change in Research/ Emergency Use Workflow

Use this chart to track the Current State (i.e., "Researcher Prep") of your Change in Research or Emergency Use Application from submission to IRB approval.

Researcher Prep
Application is being prepared by study team and has never been submitted for IRB review.

PRA Review
Prospective Reimbursement Analysis Review. All New Applications (and Change in Research Applications previously marked as "PRA Required") will transition to the "PRA Review" current status.

Legend:

- CFS – Consent Form Specialist
- RSS – Research Subjects Specialist
- Blue Box – Pre IRB Review
- Purple Box – Post IRB Review
- Orange Box – Decision
