

JOHNS HOPKINS
CHILDREN'S CENTER

Bingo Wish List

Bingo is a weekly game that patients play through the hospital's closed-circuit television system. Participating in the game reduces children's feelings of isolation and improves their understanding of the hospital.

All donated items must be in brand new condition.

Please contact the Child Life Department with questions or to schedule a donation drop off: childlife@jhmi.edu / 410.955.6276.

Donations can also be mailed to:
