THE JOHNS HOPKINS FACULTY DEVELOPMENT PROGRAM

Foundations of Curriculum Revision
for GME Program Leaders

Presented by
Johns Hopkins University School of Medicine
in conjunction with the
Johns Hopkins Faculty Development Longitudinal Programs

www.hopkinsmedicine.org/jhbmc/fdp

Initial two-workshop series:
Wednesday, August 5, 2020 8a-noon & Wednesday, August 12, 2020 8a-noon

LOCATION
Johns Hopkins Bayview Medical Center Campus, Mason F. Lord Building, Center Tower, Suite 2300, Baltimore, MD 21224 or live video conference link

DESCRIPTION
The purpose of the Curriculum Revision Practicum for GME Program Leaders is to empower GME program leadership with the skills and expertise to enhance their programs/curricula in an efficient, effective, and proactive manner. Residency and fellowship training needs are in constant flux, due to evolving medical knowledge and technology, new learning research and theory, shifting disease patterns, changing societal trends, and program evaluation results. These needs are further influenced by guidelines, mandates, and accreditation standards set by the ACGME. Therefore, residency and fellowship programs need to be updated and renewed on a regular basis. Program leaders will benefit from a structured approach as part of a supportive learning community of peers and faculty facilitators as they implement their revisions.

WHO SHOULD ATTEND
Program directors, associate program directors, chief residents and teaching faculty

OBJECTIVES
After attending this activity, the learner will demonstrate the ability to:

• Enhance their programs/curricula in an efficient, effective, and proactive manner.
• Promote collaboration among the various GME programs/curricula by creating a professional network of GME leaders.

ACCREDITATION STATEMENT
The Johns Hopkins University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT
The Johns Hopkins University School of Medicine designates this live activity for a maximum of 8 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

POLICY ON PRESENTER AND POLICY DISCLOSURE
It is the policy of the Johns Hopkins University School of Medicine that the presenter and provider globally disclose conflicts of interest. The Johns Hopkins University School of Medicine OCME has established policies that will identify and resolve conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to presentation of the education.

COST: $4400.00 includes registration in this two-workshop series (80053206) and subsequent Curriculum Revision Practicum (80051762)
Non-credit professional development tuition remission is available for Johns Hopkins faculty who are also Johns Hopkins University employees.
