Please circle the appropriate answer for each question.	
1. Is this request for continuation of therapy?	<input type="checkbox"/> Y <input type="checkbox"/> N
[Note: The use of physician samples, or manufacturer product discounts, does not guarantee coverage under the provisions of the medical and/or pharmacy benefit. All pertinent criteria must be met in order to be eligible for benefit coverage.]	
[If no, then skip to question 3.]	
2. Is there documentation showing beneficial response to treatment?	<input type="checkbox"/> Y <input type="checkbox"/> N
[Note: Documentation must be submitted.]	

[No further questions.]	
3. Is the patient 18 years of age or older?	<input type="checkbox"/> Y <input type="checkbox"/> N
[If no, then no further questions.]	
4. Does the patient have any of the following: A) Type 1 diabetes mellitus or diabetic ketoacidosis, B) Dialysis, C) History of hypersensitivity reactions to Farxiga, D) Severe renal impairment (eGFR [estimated glomerular filtration rate] less than 30mL/min), E) Second and third trimesters of pregnancy, or breast-feeding, F) Concurrent use with another SGLT2 Inhibitor?	<input type="checkbox"/> Y <input type="checkbox"/> N
[If yes, then no further questions.]	
5. Does the patient have a diagnosis of type 2 diabetes?	<input type="checkbox"/> Y <input type="checkbox"/> N
[Note: Documentation must be submitted.]	
[If no, then skip to question 12.]	
6. Is the requested drug being prescribed for glycemic control?	<input type="checkbox"/> Y <input type="checkbox"/> N
[If no, then skip to question 9.]	
7. Is Farxiga being used as adjunct therapy to diet and exercise?	<input type="checkbox"/> Y <input type="checkbox"/> N
[Note: Documentation must be submitted.]	
[If no, then no further questions.]	
8. Has the patient had prior trial and inadequate response, or intolerance to at least two formulary sodium-glucose cotransporter 2 (SGLT2) inhibitors (Jardiance, Steglatro, etc.)?	<input type="checkbox"/> Y <input type="checkbox"/> N
[Note: Documentation must be submitted.]	
[No further questions.]	
9. Is the requested drug being prescribed for hospitalization risk reduction?	<input type="checkbox"/> Y <input type="checkbox"/> N
[If no, then no further questions.]	
10. Is Farxiga being used to reduce the risk of hospitalization due to heart failure?	<input type="checkbox"/> Y <input type="checkbox"/> N
[If no, then no further questions.]	
11. Does the patient have established cardiovascular disease, or at least two of the following cardiovascular risk factors: A) Age (55 years and older for men, or 60 years and older for women), B) Dyslipidemia, C) Hypertension, D) Current tobacco use?	<input type="checkbox"/> Y <input type="checkbox"/> N
[Note: Documentation must be submitted.]	
[No further questions.]	
12. Is the requested drug being prescribed for heart failure?	<input type="checkbox"/> Y <input type="checkbox"/> N
[If no, then no further questions.]	

13. Has documentation been submitted showing all the following: A) Patient has a diagnosis of chronic heart failure with clinical symptoms (New York Heart Association [NYHA] functional class II, III, or IV), B) Left ventricular ejection fraction of 40 percent or less, C) Elevated B-type natriuretic peptide levels, D) Patient is on a current therapy regimen consistent with the standards of care (ACE Inhibitors, ARBs, ARNI, beta blockers, diuretics, etc)?

Y N

I attest that the medication requested is medically necessary for this patient. I further attest that the information provided is accurate and true, and that the documentation supporting this information is available for review if requested by the claims processor, the health plan sponsor, or, if applicable a state or federal regulatory agency.
