

# Provider Update

---

*This update contains pertinent information about changes that will impact the Johns Hopkins HealthCare provider network.*

## **Introducing New Preauthorization Request Forms**

Johns Hopkins HealthCare (JHHC) has created a new standardized preauthorization request form for Priority Partners, Johns Hopkins Employer Health Programs (EHP) and the Johns Hopkins US Family Health Plan (USFHP). JHHC also has a separate form for Johns Hopkins Advantage MD. This move is part of an effort to ensure all necessary information is received upon submission of the preauthorization request.

**Effective May 18, 2019, please use these forms and fax your request to the correct fax as noted on the forms.**

These forms are also available on the JHHC site in the For Providers section. Go to the Resources and Guidelines page and select “Forms.”
