Methods to Enhance Breast Cancer Survivorship

Jenni Sheng, M.D.
Breast Cancer Medical Oncologist
Johns Hopkins Medicine

During this webinar, we will discuss updates and changes to the field of breast cancer survivorship.

This webinar is free and open to all patients, caregivers, family members, and medical providers. Pre-registration is required. There will be time for a live Q&A after the presentation.

To register, visit http://bit.ly/JHUCancerSurvivorshipWebinars
