

The Johns Hopkins Hospital Department of Nursing Education

HIPAA Online Training

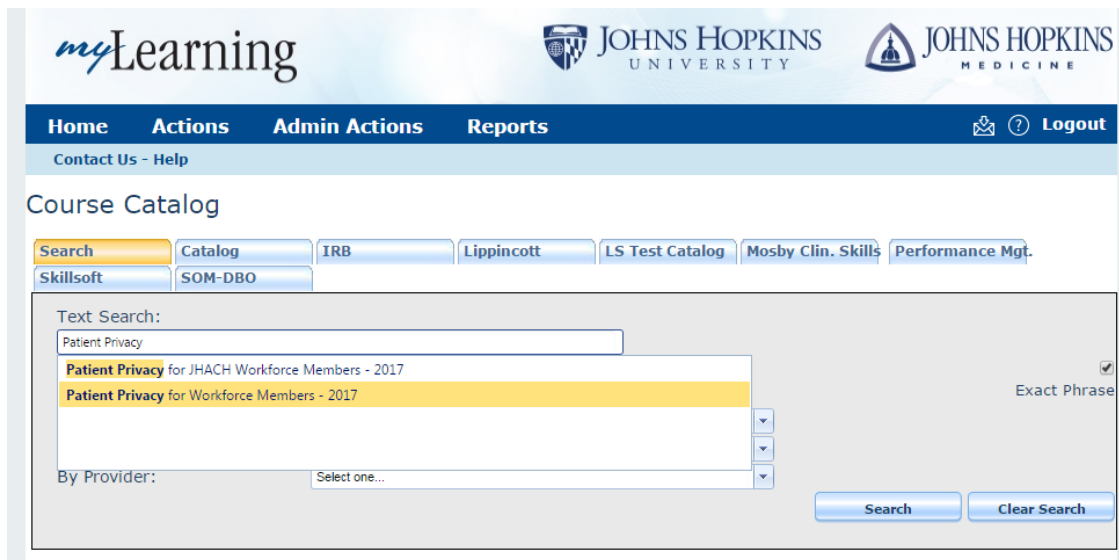

Nursing students who come to The Johns Hopkins Hospital must have proof of HIPAA training. If HIPAA training has not been completed through your school, faculty and students must complete HIPAA training in **myLearning** and provide a certificate of completion to the JHH Nursing Student Coordinator.

The name of the course is:

Patient Privacy for Workforce Members-2017

Follow these directions to access the required courses:

1. Open web browser and navigate to <https://my.jh.edu>
2. Select the “Login” button.
3. Login using your JHED ID and JHED password.
4. Under the “Education” icon on the toolbar on the left hand side of the screen, Select the “My Learning” button.
5. Search for ***“Patient Privacy for Workforce Members-2017”***

The screenshot shows the myLearning interface. At the top, there is a navigation bar with "Home", "Actions", "Admin Actions", and "Reports". Below this is a "Course Catalog" section with a search bar and several filter buttons: "Search", "Catalog", "IRB", "Lippincott", "LS Test Catalog", "Mosby Clin. Skills", "Performance Mgt.", "Skillsoft", and "SOM-DBO". The search results show a list of courses, with "Patient Privacy for JHACH Workforce Members - 2017" and "Patient Privacy for Workforce Members - 2017" highlighted. There is also a "By Provider:" dropdown menu and "Search" and "Clear Search" buttons.

6. Please select the course listed above, click “Add to Plan”
7. Complete each module and submit certificate of completion if required.
