

Events & Announcements:

Honoring Dr. Lisa Cooper, James F. Fries Professor of Medicine in the Division of General Internal Medicine Recipient of Vice Dean's Award for the Advancement of Women

The **Office of Women in Science and Medicine (OWISM)** will host the Sixth Annual Event and Presentation of the Vice Dean's Award. The OWISM is excited to announce that Paul Rothman, Dean of The Johns Hopkins University School of Medicine and Chief Executive Officer of Johns Hopkins Medicine will be the keynote speaker. He will be discussing his views on gender diversity in leadership at the School of Medicine.

Click here to [RSVP](#) | **Thursday June 19, 2014** | 4:00 p.m. | Chevy Chase Auditorium (2119A)

This event will be followed by a cocktail reception.

OPPORTUNITY TO DIVERSIFY

National Institute of General Medical Sciences (NIGMS) Advisory Council Nominations

The National Institute of General Medical Sciences (NIGMS) is soliciting nominations for membership on the National Advisory General Medical Sciences Council. Each person selected is expected to serve a 4-year term and meet three times a year. Council members perform the second level of peer review for research and research training grant applications assigned to NIGMS. The Council also offers advice and recommendations on policy and program development, program implementation, evaluation and other matters of significance to the mission and goals of NIGMS.

Council members are generally constituted by full professors, chairs, and heads or individuals that have served in a major leadership role. Former members have been individuals who are engaged with scientific societies on Council.

It is a critically important time to ensure that a wider range of voices are heard.

Qualified individuals can self-nominate or be nominated by any individual.
