Respectful and Safe Care
1. Be given considerate, respectful and compassionate care.
2. Have a family member/friend and your doctor notified when you are admitted to the hospital.
3. Be given care in a safe environment, free from abuse and neglect (verbal, mental, physical or sexual).
4. Know the names and roles of your health care team.
5. Have your culture and personal values, beliefs and wishes respected.
6. Be treated without discrimination based on race, color, national origin, age, gender, sexual orientation, gender identity or expression, physical or mental disability, religion, ethnicity or language.
7. Be given a list of protective and advocacy services, when needed. These services help certain patients (e.g., children, elderly, disabled) exercise their rights and protect them from abuse and neglect.
8. Ask for an estimate of charges before care is provided.

Informed Consent
9. Give permission (informed consent) before any nonemergency care for procedures requiring informed consent, including:
   • Risks and benefits of your treatment
   • Alternatives to that treatment
   • Risks and benefits of those alternatives
10. Agree or refuse to be part of a research study without affecting your care.
11. Agree or refuse to allow pictures for purposes other than your care.

Privacy and Confidentiality
12. Have privacy and confidential treatment and communication about your care.
13. Be given a copy of the HIPAA Notice of Privacy Practices.

Effective Communication and Participation in Your Care
14. Get information in a way you can understand. This includes sign language and foreign language interpreters, as well as vision, speech and hearing aids provided free of charge.
15. Get information from your doctor/provider about:
   • Your diagnosis
   • Your test results
   • Outcomes of care
   • Unanticipated outcomes of care
17. Involve your family in decisions about care.
18. Ask questions and get a timely response to your questions or requests.
19. Have your pain assessed and addressed.
20. Refuse care.
21. Have someone with you for emotional support, unless that person interferes with your or others’ rights, safety or health.
22. Ask for a chaperone to be with you during exams, tests or procedures.
23. Choose your support person and visitors, and change your mind about who may visit.
24. Select someone to make health care decisions for you if at some point you are unable to make those decisions (and to have all patient rights apply to that person).
You have the responsibility to:

1. Provide accurate and complete information about your health, address, telephone number, date of birth, insurance carrier and employer.

2. Notify us if you cannot keep your appointment.

3. Be respectful of your health care team, from the doctors, nurses and technicians to the people who deliver your meals and the cleaning crew.

4. Be considerate in language and conduct of other people and property, including being mindful of noise levels, privacy and number of visitors.

5. Be in control of your behavior if feeling angry.

6. Provide us with a copy of your advance directive.

7. Ask questions if there is anything you do not understand.

10. Take responsibility for your care.

11. Understand the consequences of refusing care.

12. Leave valuables at home.

13. Keep all information about staff or other patients private.

14. Do not use cellphones/other devices to take pictures, videos or recordings without permission from staff.

15. Submit payments in a timely manner or contact us to discuss your financial obligations.
