

As part of our continuing effort
to protect our patients,
staff members and community
from COVID-19,

NO VISITORS
will be permitted except in certain,
limited circumstances*:

- Pediatrics: one primary caregiver per patient at a time
- Labor & delivery, and post-partum: one visitor at a time
- End-of-life care: two visitors at a time

**For additional exceptions please visit
hopkinsmedicine.org/coronavirus.*

**Those who meet exceptions will be screened
before entering and must NOT have:**

- Fever
- Cough
- Shortness of breath
- Muscle aches
- Sore throat
- Unexplained loss of taste or smell
- Diarrhea
- Headache
- Been in close contact with someone with COVID-19

We encourage visitors who meet the exceptions to go directly to their destination, and leave the facility as soon as possible after your visit. We also ask you to find other ways to connect with their loved one (phone calls, texts, video chats and other electronic communications).
