The Johns Hopkins Medical Institutions are committed to providing financial assistance to patients who have health care needs and are uninsured, underinsured, ineligible for a government program, or otherwise unable to pay, for medically necessary care based on their individual financial situation.

Summary of Eligibility Requirements and Assistance Offered

It is the policy of the Johns Hopkins Medical Institutions to provide financial assistance based on indigence or excessive medical debt for patients who meet specified financial criteria and request such assistance.

The hospital offers financial assistance to certain individuals under a Financial Assistance Policy. If you are unable to pay for medical care, you may qualify for Free or Reduced-Cost Medically Necessary Care if you:

- Are a U.S. citizen or permanent resident living in the U.S. for a minimum of one year (not required for Suburban Hospital or Howard County General Hospital)
- Have no other insurance options
- Have been denied medical assistance or fail to meet all eligibility requirements
- Meet specific financial criteria

No individual who is eligible for financial assistance under the Financial Assistance Policy will be charged more for emergency or other medically necessary care than the amounts generally billed (AGB).

Maryland Medical Assistance

You may also qualify for Maryland Medical Assistance. For information about Maryland Medical Assistance contact your local department of Social Services at 1-800-332-6347 (TTY 1-800-925-4434) or visit: www.dhr.state.md.us

Billing Rights and Obligations

Not all medical costs are covered by insurance. The hospital makes every effort to see that you are billed correctly. It is up to you to provide complete and accurate information about your health insurance coverage when you are brought in to the hospital or visit an outpatient clinic. This will help make sure that your insurance company is billed on time. Some insurance companies require that bills be sent in soon after you receive treatment or they may not pay the bill. Your final bill will reflect the actual cost of care minus any insurance payment received and/or payment made at the time of your visit. All charges not covered by your insurance are your responsibility.

If you do not qualify for Maryland Medical Assistance or financial assistance under the Financial Assistance Policy, you may be eligible for an extended payment plan for your medical bill.

Physician charges are not included in hospital bills and are billed separately.

Johns Hopkins is simplifying our billing statement. For services after July 23, 2018, you will receive one bill for your care at Johns Hopkins Health System (excluding Behavioral Health). However, you may still receive multiple bills for services received prior to July 23, 2018, until those balances are paid from hospital-based physicians like anesthesiologists, pathologists, as well as from private community physicians.
