

Publications and Presentations: PM&R Resident Class of 2018

Hopkins PM&R residents have ample opportunity to engage in scholarship and research. Residents have a history of publishing research in well-recognized journals and texts. And with the support of faculty mentors, residents have also presented their work at international and national conferences.

Publications

Yao AL, Odonkor CA, Taftian D, Chhatre A. Sexual Dysfunction After Sacroiliac Joint Radiofrequency Denervation: A Case Report *PMR*. 2016 Sep;8(9S): S283. PMID:27673128
