

Publications and Presentations: PM&R Resident Class of 2019

Hopkins PM&R residents have ample opportunity to engage in scholarship and research. Residents have a history of publishing research in well-recognized journals and texts. And with the support of faculty mentors, residents have also presented their work at international and national conferences.

Publications

Coslick AM, Zorowitz RD, Wright SM. Clinical excellence in physical medicine and rehabilitation: examples from the published literature. *J Rehabil Med* 2016; 48:253-8.
