PRIMARY CARE CONSORTIUM

4th Biennial Retreat to Advance Primary Care

Friday, April 5, 2019

DESCRIPTION

The Primary Care Consortium (PCC) was founded in 2012 to promote primary care within Johns Hopkins University and Johns Hopkins Medicine, focusing on four "pillars": Education, Research, Policy, and Innovation in care delivery systems.

This conference is provided by the Johns Hopkins University Consortium for the Advancement of Primary Care. Each talk is engineered to address gaps in needed knowledge for primary care providers and the environment of care. The need for this conference has been discussed and recognized with the involvement of the Primary Care Consortium Executive Committee, many of whom are active as educational leaders in the entities they represent.

WHO SHOULD ATTEND

This activity is intended for family practitioners, general practitioners, general internists, pediatric providers, primary care nurse practitioners and physician assistants as well as their students, residents and fellows.

OBJECTIVES

After attending this activity, the participant will demonstrate the ability to:

- Apply strategies discussed for clinical conditions, compliance, risk management, and safety-quality.
- Analyze and formulate ways to overcome barriers to resiliency in the provider's medical practice.
- Design innovative techniques for improving primary care and health outcomes for the benefit of patients and society.

ACCREDITATION STATEMENT

The Johns Hopkins University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The Johns Hopkins University School of Medicine designates this live activity for a maximum of 6.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MAINTENANCE OF CERTIFICATION

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.25 MOC points in the **American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program**. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Board of Pediatrics (ABP): Completion of this activity and associated assessment enables the participant to earn 6.25 ABP MOC Part 2 points.

POLICY ON SPEAKER AND PROVIDER DISCLOSURE

It is the policy of the Johns Hopkins University School of Medicine that the speaker and provider globally disclose conflicts of interest. The Johns Hopkins University School of Medicine OCME has established policies that will identify and resolve conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to presentation of the education.

GENERAL INFORMATION

REGISTRATION

April 5, 2019 • 7:45 - 8:30 a.m.

LOCATION

Thomas B. Turner Building

Johns Hopkins School of Medicine
720 Rutland Avenue
Baltimore, Maryland 21205

The Turner Building is located on Rutland Avenue at Monument Street. Directions and campus parking information are available on our website under the Contact Us tab at HopkinsCME.cloud-cme.com. Handicapped parking is available in the nearby Rutland Garage.

FEES

Register Online:

hopkinscme.cloud-cme.com/default.aspx?P=10&EID=17559

Please register prior to March 30, 2019. There is no fee to attend this activity. If you register and must cancel, we ask that you notify the CME office at (410) 502-9636 or at cmenet@jhmi.edu.

You will receive a confirmation by e-mail. If you have not received it by March 30, 2019, call (410) 502-9636 to confirm that you are registered. A transcript of attendance will be available upon attestation of your credit hours and submission of the post activity online evaluation.

The Johns Hopkins University reserves the right to cancel or postpone any activity due to unforeseen circumstances. In this event, the University will refund the registration fee but is not responsible for travel expenses. Additionally, we reserve the right to change the venue to a comparable venue. Under such circumstances registrants will be notified as soon as possible.

SYLLABUS

The syllabus will be accessible online and via your mobile device in the CloudCME App prior to the activity.

HOW TO OBTAIN CREDIT

Post activity, an online evaluation will be available to attendees to evaluate the activity and individual presentations and to identify future educational needs. Upon completion of the evaluation, the learner must attest to the number of hours in attendance. Credits earned will be added to the learner's transcript and immediately available for print.

The last day to access the evaluation and attest to your credits is May 27, 2019.

An outcome survey will be sent to all physician attendees within two months post activity to assist us in determining what impact this activity had on the learner's practice.

EMERGENCY CALLS

On April 5, 2019, direct emergency calls to the Hopkins registration desk, (410) 955-3673. Messages will be posted for participants.

AMERICANS WITH DISABILITIES ACT

The Johns Hopkins School of Medicine fully complies with the legal requirements of the ADA and the rules and regulations thereof. *Please notify us if you have any special needs.*

ACKNOWLEDGEMENT

Applications for commercial support from health care related industries are pending. A complete list of contributors will be provided in the syllabus. Please note that commercial support received is solely for the educational component of the activity and will not be used to provide food and beverage.

Please note: The Physician Payments Sunshine Act was enacted by Congress to increase public awareness of financial relationships between drug and medical device manufacturers and physicians. In compliance with the requirements of this Act, the commercial supporter/s of this activity may require the Johns Hopkins School of Medicine to report certain professional information (such as name, address, National Provider Identifier (NPI), and State License number) of physician attendees who receive complimentary food and beverage in conjunction with a CME activity. The commercial supporter is required to submit the collected data to the Centers for Medicare and Medicaid Services which will then publish the data on its website.
