

**CURRICULUM VITAE**

Kay Redfield Jamison, Ph.D.

Correspondence to:

Meyer 3-181  
 The Johns Hopkins Hospital  
 600 N. Wolfe Street  
 Baltimore, Maryland 21287

Academic Title:

Professor of Psychiatry  
 The Johns Hopkins University  
 School of Medicine  
 Baltimore, Maryland

**HONORS AND FELLOWSHIPS**

- 1965-1966 National Science Foundation Undergraduate Research Fellow
- 1965-1966 Cook Scholar, University of California
- 1968-1971 Departmental Scholar
- 1968-1969 John F. Kennedy Scholar
- 1969-1973 United States Public Health Service Predoctoral Research Fellow
- 1974 UCLA Graduate Woman of the Year
- 1986 Virginia Tarlow Distinguished Lecturer (Northwestern University Medical School)
- 1986 Listed in *Best Doctors in the United States*
- 1987 UCLA Woman of Science
- 1990 American Psychiatric Association Robinson Award, National Television Category, for "Moods & Music" (Executive Producer and Writer)

## HONORARY DEGREES

|  |                           |
|--|---------------------------|
| Sacred Heart University                              | Doctor of Humane Letters  |
| Dickinson College                                    | Doctor of Science         |
| John Jay College of Criminal Justice                 | Doctor of Law             |
| Bard College   | Doctor of Science         |
| Argosy University                                    | Doctor of Psychology      |
| Brown University                                     | Doctor of Medical Science |
| University of St. Andrews (Scotland)                 | Doctor of Literature      |
| General Theological Seminary of the Episcopal Church | Doctor of Divinity        |

## EDUCATION

### Undergraduate

|           |   |   |
|-----------|---|---|
| 1964-1966 | University of California<br>Los Angeles, California | Psychology  |
| 1966-1967 | University of St. Andrews<br>St. Andrews, Scotland  | Junior Honours:<br>Zoology and<br>Neurophysiology                         |
| 1967-1971 | University of California<br>Los Angeles, California | B.A., Psychology<br>Magna Cum Laude and<br>Departmental<br>Highest Honors |

### Graduate

|           |   |   |
|-----------|---|---|
| 1968-1971 | University of California<br>Los Angeles, California   | M.A., Psychology  |
| 1970      | The Maudsley Hospital<br>Institute of Psychiatry<br>University of London<br>London, England | Clinical Studies  |
| 1971-1975 | University of California<br><br>Los Angeles, California                                     | C. Phil., 1973<br><br>Ph.D., 1975<br><br>Major field:<br>Clinical Psychology<br>Minor fields:<br>Comparative Psychology<br>Psychopharmacology |

## LICENSURE

Licensed Clinical Psychologist:  
California License #PL6083  
District of Columbia License #1386

## ACADEMIC AND CLINICAL APPOINTMENTS

|           |  |                                    |
|-----------|--|------------------------------------|
| 2010      | The Dalio Family Professorship<br>in Mood Disorders<br>Department of Psychiatry<br>The Johns Hopkins School of Medicine  | Inaugural Recipient                |

#### PAPERS PRESENTED TO MEETINGS

Further study of dependence as a personality factor. American Psychological Association, Washington, D.C., 1967 (with A. L. Comrey).

A cross-cultural study of British and American personality factors. American Psychological Association. San Francisco, 1968 (with A. L. Comrey).

A study of British and American stereotypes. American Psychological Association, Washington, D. C., 1971.

Correlation of personality profiles with pain syndrome. Presented at First World Congress, International Association for the Study of Pain. Florence, Italy, 1975 (with M. T. Ferrer-Brechner, V. Brechner, and C. P. McCreary).

Bipolar affective disorders in young and old. American Psychiatric Association, Washington, D. C., 1976 (with G. A. Carlson and Y. Davenport).

Consultation to Anesthesiology: Pain Management Clinic. American Psychological Association, Washington, D. C., 1976.

Attributions in bipolar and unipolar illness. Western Psychological Association, San Francisco, 1978 (with C. Hammen and C. Padesky).

Lithium compliance. American Psychiatric Association, Atlanta, 1978.

Lithium treatment and informed consent. American Psychiatric Association, Chicago, 1979.

Perception of the causal role of lithium and facilitory and inhibitory factors in lithium compliance. Western Psychological Association, Honolulu, Hawaii, May 1980 (with T. Litman-Adizes).

Psychological studies of bipolar affective illness. American Psychiatric Association, San Francisco, May 1980.

Invited paper: The psychological impact of mastectomy on women. National Conference on Breast Cancer (American Colleges of Radiology and Pathology), San Diego, March 1981.

Psychological treatments of manic-depressive illness. American Psychiatric Association, New Orleans, May 1981.

Psychological issues in lithium therapy. UCLA-CIBA Symposium (Jamison, K. R., Chairman). Lithium: Clinical Considerations. Participants: Drs. R. H. Gerner, M. J. Gitlin, F. K. Goodwin, M. Schou. Los Angeles, February 1982.

Psychological issues in bipolar affective illness. American Psychiatric Association, Toronto, 1982.

Invited presentation: Who will speak for the distraught and the disturbed amongst us? The White House Conference on the Mentally Ill. Washington, D.C., 1982.

Psychological issues in bipolar illness. American Psychiatric Association, New York, 1983.

Invited Presentation: Psychological studies of bipolar affective illness. Association pour l'etude de la sante mentale, Brussels, 1983.

Manic-depressive illness. American Psychological Association, Anaheim, 1983.

Recurrent affective disorders: Psychological treatments and research findings. Consensus Development Conference on the Treatment of Recurrent Affective Disorders. National Institutes of Health, Bethesda, Maryland, April 1984.

Psychotherapeutic aspects and psychological studies of manic-depressive illness (SK & F; CIBA). American Psychiatric Association, Los Angeles, 1984.

Mood disorders and seasonal patterns in top British writers and artists. Royal College of Psychiatrists, London, England, November 1984.

Panel Participant: Consensus Development Conference on Electroconvulsive Therapy. National Institutes of Health, Bethesda, Maryland, June 1985.

Invited Paper: Suicide and bipolar disorders. Symposium on the Psychobiology of Suicidal Behavior. New York Academy of Sciences, New York, October 1985.

Psychotherapeutic treatment of recurrent affective disorders. American Psychiatric Association, Washington, D.C., 1986.

Invited speaker, 40th Anniversary, National Institute of Mental Health, June 1986.

Co-Chairman (with Dr. Frederick Goodwin) Annual Review Update Session: Bipolar Disorders. American Psychiatric Association, Chicago, 1987.

Suicide prevention in the treatment of bipolar disorders. American Psychiatric Association, Chicago, 1987.

Affective disorders in poets and artists. Johns Hopkins Mood Disorders Symposium, April 1988.

Suicide prevention in depressed women. American Psychiatric Association, Montreal, 1988.

Affective disorders and artistic creativity. Special session: Neuroscience and psychoanalysis: The Implications of New Biological Theories of Manic-Depressive Psychosis for Literary Psychobiography. Modern Language Association of America Meetings, New Orleans, 1988.

Written in Blood: The Life and work of Gerard Manley Hopkins. Johns Hopkins Mood Disorders Symposium, April 1989.

“Moods & Music” Symposium. Co-chairman (with Dr. Richard Wyatt), American Psychiatric Association, San Francisco, 1989.

Mood disorders and artistic creativity. Symposium on The Creative Mind. American Psychiatric Association, San Francisco, 1989.

Mood disorders and creativity. Invited lecture: Royal College of Psychiatrists, London, England, October 1989.

The diagnosis of Vincent van Gogh. Johns Hopkins Mood Disorders Symposium, April 1990.

Psychotherapeutic issues in the treatment of manic-depressive illness. International Symposium on Recurrent Mood Disorders, Montecarlo, Monaco, March 1990.

Psychotherapy and relapse in bipolar disorder. American Psychiatric Association, New York, 1990.

Van Gogh: Moods and seasons in an artist's life. American Psychiatric Association, New York, 1990.

Creativity, psychopathology, and milieu. 12th World Congress of Social Psychiatry, Washington, D.C., 1990.

Invited paper (plenary session). American Association of Suicidology, Boston, 1991.

Byron and the genetics of chaos. Johns Hopkins Mood Disorders Symposium, April 1991.

“All my madness none can know”: Manic-depressive illness and Lord Byron. Washington Shakespeare Company, Washington, D.C., 1991.

Smithsonian Film Lecture Series, Washington, D.C., 1992.

Suicide in writers and artists. Johns Hopkins Mood Disorders Symposium, April 1992.

Manic-depressive illness and the artistic temperament. 9<sup>e</sup> Recontres Thématiques Internationales: Génie, Créativité et Troubles de l'Humeur. Bordeaux, 1993.

The moods and madness of Edgar Allan Poe. Johns Hopkins Mood Disorders Symposium, April 1993.

Literary and artistic views of bipolar illness. American Psychiatric Association, San Francisco, 1993.

Bipolar writers, artists, and composers. American Psychiatric Association, San Francisco, 1993.

Creativity and affective psychosis. World Congress on Psychiatric Genetics. New Orleans, 1993.

Manic-depressive illness and the artistic temperament. Aretaeus: Associazione per lo Studio e la Prevenzione della Depressione, dell 'Ansia e della Malattia Maniaco-Depressiva. Rome, 1993.

Edgar Allan Poe. University of Virginia. Charlottesville, Virginia, 1993.

The Moods of Lord Byron. Cornell University, New York, 1993.

Edgar Allan Poe and manic-depressive illness. The Edgar Allan Poe House and Museum. Baltimore, Maryland, 1994.

Keynote address. First International Conference on Bipolar Disorder. Pittsburgh, Pennsylvania, 1994.

Robert Louis Stevenson. Johns Hopkins Mood Disorders Symposium, 1994.

Visiting Professor, Mayo Clinic. Rochester, Minnesota, July 1994.

The inner world of Robert Schumann: Manic-depression and the creative process. Bard Music Festival, Annandale-on-Hudson, New York, 1994.

Great wits are sure to madness near allied. Cheltenham Festival of Literature. Cheltenham, England, October 1994.

Robert Louis Stevenson. Cheltenham Festival of Literature. Cheltenham, England, October 1994.

Robert Schumann. Bard Music Festival, The Lincoln Center, New York. November 1994.

On the suicide of Ernest Hemingway. Suicide in American Literature Conference, 92nd Street Y. Conference co-sponsored by the American Suicide Foundation and The New Yorker. November 1994.

Smithsonian Lecture Series, 1995.

John Keats. Johns Hopkins Mood Disorders Symposium, 1995.

Keynote address. Art of Darkness. Depressive and Manic-Depressive Association. Ontario, Canada, 1995.

Invited address. Mood disorders and artistic creativity. American Psychological Association, 1995.

John Keats: A Capability of Moods. Bicentenary of the birth of John Keats, Keats-Shelley Memorial House, Rome, 1995.

Keynote address. 250th anniversary celebration of St. Patrick's Hospital (Dublin). Dublin, Ireland, 1995.

Invited lecture. The genetics of mental illness. Visions of Sequence-Based Biology and Medicine Meetings. Fifth Anniversary of the Human Genome Project. National Institutes of Health. December 1995.

Edwin F. Gildea Lecturer. Department of Psychiatry, Washington University School of Medicine, St. Louis. January 1996.

The future of the brain (panel discussion with Dr. Guy McKann, David Mahoney, William Safire, and Dr. James Watson). World Economic Forum. Davos, Switzerland. February 1996.

Invited lecture series. The Universities of Copenhagen and Aarhus, Denmark. March 1996.

Grand Rounds. Department of Medicine, The Johns Hopkins University School of Medicine. April 1996.

Keynote Address. White Coat Ceremony. Jefferson Medical College, Philadelphia. April 1996.

F. Scott Fitzgerald. The Johns Hopkins Mood Disorders Symposium, 1996.

Lecturer for Mini-Med School Series. National Institutes of Health. May 1996.

Keynote Address. Brain Injuries Association. June 1996.

Plenary address. The boundaries between creativity and psychopathology. Tenth World Congress of Psychiatry. Madrid, Spain. August 1996.

Organizer and speaker. Symposium on the Evolutionary Basis of Manic-Depressive Illness. Cold Spring Harbor Laboratory, New York. October 1996.

Lithium and suicide. Suicide Research Conference. National Institute of Mental Health — American Suicide Foundation, Washington, D.C. November 1996.

Plenary Speaker. Johns Hopkins Women's Health Conference, Baltimore. November 1996.

Distinguished Alumnus Lecture, University of California, Los Angeles. December 1996.

Participant and speaker. Renaissance Weekend, Hilton Head, South Carolina.  
December 1996.

Participant in Universal Declaration of Human Rights Workshop. World Economic Forum,  
Davos, Switzerland. February 1997.

Visiting Professor of English. Department of English Studies, University of St. Andrews,  
Scotland. March 1997.

The Winthrop Rockefeller Distinguished Lecturer. University of Arkansas. April 1997.

Early recognition and treatment of major psychiatric illness in adolescence. Conference  
on Adolescent Suicide. Philadelphia. April 1997.

Virginia Woolf. The Johns Hopkins Mood Disorders Symposium. April 1997.

Keynote Speaker. National Museum of Health and Medicine. May 1997.

Plenary Lecture: Psychiatry and the Arts. American Psychiatric Association, San Diego.  
May 1997.

Invited Speaker. Hay-on-Wye Literary Festival, Wales. May 1997.

Robert Schumann: His Moods and Music. Spoleto Arts Festival, Charleston, South Carolina.  
June 1997.

Keynote Speaker. Second International Conference on Bipolar Disorder. Pittsburgh.  
June 1997.

The Brain: Understanding the Human Psyche. Smithsonian Lecture Series. June 1997.

Jonathan O. Cole Lecturer in Clinical Psychopharmacology. Boston, September 1997.

Bipolar disorder and suicide. Cambridge Hospital/Harvard Medical School Suicide Symposium.  
September 1997.

Keynote Speaker. Institute of Human Virology, University of Maryland. September 1997.

McGovern Award Lecture and Visiting Professorship. The Program for Humanities in Medicine,  
Yale University School of Medicine. October 1997.

Emotional intelligence, education and the brain. Art Institute of Chicago. December 1997.

Participant and speaker. Renaissance Weekend. Hilton Head, South Carolina. December 1997.

Mood disorders in scientists and mathematicians. The Johns Hopkins Mood Disorders Symposium.  
April 1998.

Lord Byron: A fevered dying. American Psychiatric Association, Toronto. June 1998.

Mood disorders in writers. Royal Festival Hall, London. May 1998.

Novartis Foundation Lecture. Royal Edinburgh Hospital. University of Edinburgh, Scotland.  
May 1998.

Mental illness and artistic creativity. Freer Gallery of Art, Washington, D.C. November 1998.

Keynote Speaker. Science and the experience of life - Greater Washington Metropolitan Area Junior Science Humanities Symposium. Washington, D.C., January 1999.

Keynote Speaker: Alpha Omega Alpha Graduation Dinner, Emory University School of Medicine, Atlanta, March 1999.

Invited Speaker. Creativity and despair. The Hemingway Centennial at the John F. Kennedy Library, Boston, April 1999.

Mood disorders. Neuroscience 2000. Society for Neuroscience, Washington, D.C., April 1999.

Suicide and manic-depressive illness. Associazione per lo Studio e la Prevenzione della Depressione, dell' Ansia della Malattia Maniaco-Depressiva. Rome, April 1999.

Suicide and writers. The Johns Hopkins Mood Disorders Symposium. April 1999.

Suicide and lithium. 50<sup>th</sup> Anniversary of Lithium in Clinical Medicine. International Society for Lithium Research. Lexington, Kentucky. May 1999.

Suicide and bipolar disorder. American Psychiatric Association. Washington, D.C., May 1999.

Creativity and leadership in bipolar disorders. International Workshop on Bipolar Disorders -100 Years after Kraepelin. Berlin, August 1999.

Presidential Special Lecture. Society for Neuroscience. Miami, October 1999.

Stigmatization of mental illness. Royal Society of Medicine. London, March 2000.

The life and death of Meriwether Lewis. The Johns Hopkins Mood Disorders Symposium, April 2000.
