

# Working on your addiction recovery? Looking for help?

- If you answered YES, you may qualify to enter a methadone treatment program as part of a 30-week research study.
- If you are already enrolled in methadone treatment, you may also be eligible.
- **You can earn up to \$900 for research participation.**
- Scheduling is flexible, screening is confidential, and you will be compensated for your time.

Person(s) depicted in this photo are not actual patients or study participants.
