DO YOU HAVE RAPID-CYCLING BIPOLAR?

Are you between 18-65 years of age? Are you a local resident?
You may be the perfect candidate for our study!

- Your participation may help improve the treatment of psychiatric disorders for patients like you
- Researchers are seeking individuals diagnosed with rapid-cycling bipolar disorder to participate in a research study being done to study the cells of patients with Mood Disorders
- Participants can earn up to a compensation of $300
- Eligibility: Individuals over 18 years of age with a diagnosis of rapid-cycling bipolar disorder
  - Qualified participants will be asked to undergo the following: skin biopsy, nasal biopsy, and blood draw. Compensation paid in segments upon completion of each study section.
