

# Are you more forgetful lately?

- Do you have trouble with the names of people you've met recently?
- Do you get lost easily in new places?
- Do you have a greater tendency to misplace things?
- Do other people notice that you are forgetful?
  
- If you are age 55 and older, having memory problems, not taking antidepressant medication and in good health, you may be eligible to participate in a research study.
  
- Qualified people will participate at no cost to them. Compensation for time and transportation will be provided.
