THE JOHNS HOPKINS ACTIVITY AND MOBILITY PROMOTION PROGRAM
presents the

Eighth Annual

JOHNS HOPKINS CRITICAL CARE REHABILITATION CONFERENCE

October 10–12, 2019

Thomas B. Turner Auditorium
Johns Hopkins East Baltimore Medical Campus
Baltimore, Maryland

This activity has been approved for AMA PRA Category 1 Credits™.

This conference is sponsored by the Academy of Acute Care Physical Therapy
This conference is sponsored by the Cardiovascular and Pulmonary Section of the American Physical Therapy Association.
DESCRIPTION
Interdisciplinary collaboration and coordination is vital to facilitate early mobility and rehabilitation in the intensive care unit (ICU) setting. A recent stakeholders’ conference aimed at improving long-term outcomes for ICU survivors identified important ‘silos’ among critical care and rehabilitation clinicians working in the ICU, with these ‘silos’ acting as a barrier to collaboratively advancing the field and improving patient outcomes. While clinical trials support the benefits of early rehabilitation for mechanically ventilated patients, implementing these interventions requires creating a new ICU culture based on proactive rehabilitation and interdisciplinary collaboration between all critical care and rehabilitation clinicians. This course will bridge the interdisciplinary gap from research to clinical implementation at the bedside.

WHO SHOULD ATTEND
This activity is intended for Physical Therapists, Occupational Therapists, Speech Language Pathologists, Respiratory Therapists, Physicians, Physician Assistants, Nurse Practitioners, Nurses and Psychologists.

OBJECTIVES
After attending this activity, the participant will demonstrate the ability to:
• Appraise the evidence supporting early rehabilitation and mobility in critically ill adults and children.
• Describe and discuss how to change ICU clinical practice to implement early rehabilitation programs.
• Describe the management of ICU medications, devices (including mechanical ventilation and tracheostomy), and monitoring systems for rehabilitation of adult and pediatric ICU patients.
• Explain rehabilitation related assessments and interventions suitable for adult and pediatric ICU and acute care patients.
• Describe strategies to engage critically ill patients and their families for activity and mobility, including communication and psychology-based strategies.
• Describe the impact and challenges of ICU survivorship on patients and their families, including Post-Intensive Care Syndrome and care delivery in post-ICU critical care settings.
• Explain current practice and interdisciplinary roles of nursing, physical therapy, occupational therapy, speech language pathology, respiratory therapy, and child life specialists in an adult and pediatric ICU rehabilitation program.
• Describe disease-specific rehabilitation strategies for critically ill patients.
• Describe an approach to feeding in pediatric ICU populations.
• Describe the management of sedation and delirium for adult and pediatric patients to promote ICU mobility.

ACCREDITATION STATEMENT
The Johns Hopkins University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT
The Johns Hopkins University School of Medicine designates this live activity for a maximum of 18.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physical Therapy
The New York State Education Department Office of the Professions has approved Johns Hopkins University School of Medicine as a sponsor of continuing education for physical therapists and physical therapist assistants.

Applications for CE Credits are currently in process for the Federation of State Boards of Physical Therapy (FSBPT), Maryland Board of Physical Therapy Examiners, New Jersey State Board of Physical Therapy Examiners, and the Texas Board of Physical Therapy Examiners.

Psychologists
The Johns Hopkins University School of Medicine is authorized by the Maryland State Board of Examiners of Psychologists as a provider of continuing education. The Johns Hopkins University School of Medicine maintains responsibility for this program. A certificate for 18.50 CEUs will be awarded upon completion of this activity.

Professional Counselors and Therapists
This CE Program has been approved by the Maryland Board of Professional Counselors and Therapists for Category A CEUs.

OTHER CREDITS
American Nurses Credentialing Center (ANCC) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

American Academy of Nurse Practitioners National Certification Program accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

PAs may claim a maximum of 18.50 Category I credits for completing this activity. National Commission on Certification of Physician Assistants (NCCPA) accepts AMA PRA Category 1 Credits™ from organizations accredited by ACCME or a recognized state medical society.

The application for American Occupational Therapy Association, Inc. (AOTA) CEUs is currently pending approval.

Application has been made to the American Association for Respiratory Care (AARC) for continuing education contact hours for respiratory therapists.

The Johns Hopkins University has approved this activity for 18.50 contact hours for non-physicians.

This program is offered for up to 1.80 ASHA CEUs (Various level; Professional area)

HOW TO OBTAIN CREDIT
Post activity, an online evaluation will be available to attendees to evaluate the activity and individual presentations and to identify future educational needs. Upon completion of the evaluation, the learner must attest to the number of hours in attendance. Credits earned will be added to the learner’s transcript and immediately available for print. The last day to access the evaluation and attest to your credits is November 25, 2019.

An outcome survey will be sent to all physician attendees within two months post activity to assist us in determining what impact this activity had on the learner’s practice.

POLICY ON SPEAKER AND PROVIDER DISCLOSURE
It is the policy of the Johns Hopkins University School of Medicine that the speaker and provider globally disclose conflicts of interest. The Johns Hopkins University School of Medicine OCME has established policies that will identify and resolve conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to presentation of the education. For general information and speaker disclosure statements, please visit the activity webpage at: hopkinscme.cloud-cme.com/default.aspx?P=5&EID=17203.
