JHOC-JHGSS Shuttle Service

Shuttle Service from the Johns Hopkins Outpatient Center to the Pavilions at Green Spring Station is offered to patients or employees who need to reach medical appointments at either campus. The shuttle service is also offered to employees who need to reach either campus for work-related purposes such as meetings, training, etc. The service not offered to employees as a means to get to work at either campus. Employees using the shuttle service for any work-related purpose will be asked to disembark if the shuttle is at capacity and patients are still waiting to board. The shuttle schedule is shown below:
