Welcome from the Dean

We enter this year during an unprecedented time in our school of medicine history. Though these times are trying, I am so proud of the commitment and support that we have from our community of researchers, alumni, and students.

As a class representative, you play a crucial role in ensuring that our future remains bold and bright while connecting classmates to one another, and to the school as a whole. With your support, the School of Medicine continues to set the standard of excellence in patient care, research and education in this country and around the world.

Over its history, our school has produced more than 27,000 alumni, who have been, and continue to be, among the world's finest physicians, researchers and educators. As we enter our 128th year as an academic institution, people like you lead the charge to keep our graduates connected while at the same time nurturing our current students. I recognize that you do this while also furthering your professional and personal experiences. Please accept my gratitude for your generosity and hard work.

Additionally, I hope you will join me in Baltimore for the school's 2021 Reunion & Alumni Weekend. More details will be forthcoming. Thank you again for your participation and I hope you enjoy your experience.

Kind regards,

A handwritten signature in cursive script that reads "Paul B. Rothman".

Paul B. Rothman, M.D.
The Frances Watt Baker, M.D. and Lenox D. Baker, Jr., M.D.
Dean of the Medical Faculty
Chief Executive Officer

Class Representative Job Description

The Johns Hopkins University School of Medicine's Alumni Relations team looks to the class representative for guidance and leadership in creating a friendly, knowledgeable and productive environment that helps create and maintain meaningful relationships between alumni and the school.

Responsibility

The Class Representative:

- Acts as a liaison between the school of medicine, its M.D. graduates, and between classmates
- Assist alumni relations office in locating missing contact information for classmates
- Shares professional and personal accomplishments of classmates with the school of medicine's alumni relations team
- Submits nominations of alumni and/or other Hopkins-affiliated colleagues for awards
- Provides leadership and guidance for upcoming reunions
- Attends volunteer leadership meetings, the annual meeting of the Johns Hopkins Medical & Surgical Association, and participates in other programs, when possible
- Annually supports the school through personal giving
- Asks classmates to join them in supporting the School of Medicine Annual Fund through personalized solicitations
