Class of 2024
White Coat Ceremony

White Coat Ceremony  
Class of 2024

Welcome students, parents, families, friends, and faculty members to this milestone event honoring our first year medical students, as they declare their professional commitment to the clinical care of patients. The presentation and cloaking of the white coat – a symbolic mantle of the medical profession – confers a commitment to the cherished values of being a physician: humanism, compassion, altruism, leadership, excellence, and devotion to the well-being of others. The Dean’s Office, in concert with the Colleges Advisory Program and the Class of 2024 proudly sponsors this event.

The Colleges Advisory Program (CAP), the student-faculty learning community at the School of Medicine, supports the first year class in hosting its White Coat Ceremony. CAP was founded in 2005 by our deans and student leaders in an effort to enhance clinical skills teaching, career advising, professional formation, and students’ relationships with faculty, patients, and each other.

The School of Medicine actively supports students in their journey to become physicians, and tonight’s ceremony marks an important milestone on this path. We appreciate your presence as we join together in celebrating our students’ accomplishments and their commitment to serve their future patients with extraordinary devotion and compassion.

We are thrilled to welcome you to our virtual event today as we celebrate the Class of 2024!
