

The Office of Postdoctoral Affairs is pleased to co-sponsor this two-part K Award Grant Writing Workshop with the Professional Development and Career Office and the Physician-Scientist Training Program on August 18-19, 2021.

K AWARD OVERVIEW WORKSHOP

August 18th from 9:00 am to 1:00 pm

[Register](#)

This 4-hour pre-recorded session will cover the following topics. Faculty and facilitators with K award expertise will be available on chat through-out the recording to answer questions.

- K Program Goals and Expectations
- Types of K Awards: Which Is Right for You?
- Timing: When to Submit Your K Application
- K Award Application Preparation, Considerations, and Evaluation
- Principles of Great K Applications
- Selling Yourself and Your Science as a K Applicant
- Synthesizing the Full K Story
- NIH mock study section video
- Examples of successful applications

K AWARD ADVANCED WORKSHOP

August 19th from 9:00 am to 1:00 pm

[Register](#)

Participation Requirements

1. Submit a draft specific aims page by **August 5th**
2. Eligible for a K award (no more than 4 years postdoc experience unless you have a NIH valid extension)
3. Attended the Overview session on August 18th or the April 2021 workshop earlier this year.

This workshop session includes:

- Deep dive into the Career Development Plan
- Didactic and sample Candidate Statement and Development Plan review in a small group activity
- Workshopping the K Award Aims Page: The Good, Bad, and Ugly of K Aims Pages
- Didactic and workshopping Aims page in a small group activity
- Importance of tying it all together
- Meeting reviewer needs and expectations

Participants will have the opportunity to have their SA page reviewed by faculty and the workshop leaders and their CDP reviewed by workshop leaders.
