More details on application process and administrative guidelines will be available in the coming weeks.

Deadlines:

Internal Application: June 4, 2021

Full Application: June 30, 2021

Opportunity Summary:

For each Nominee selected for the Individual Biomedical Research Award, the sponsoring participating institution will receive a Hartwell Fellowship to fund one postdoctoral candidate selected from areas of biomedical science who exemplifies the values of Foundation. Each Fellowship will provide support for two years at \$50,000 direct cost per year.

Selection of Fellows – The Fellowship may only support scientists and biomedical engineers who have completed a Ph.D. or equivalent doctorate and are still in the early stages of career development. Fellowship funds may not be used to extend or complete clinical training. Institutions should select awardees that are most likely to make best use of funding.

Eligibility & Requirements:

- Hartwell Fellows must hold a PhD or equivalent doctorate and be citizens of the United States.
- The Fellowship mentor may not be a Hartwell Investigator currently funded as a recipient of an Individual Biomedical Research Award.
- Fellowship funds will be available in July of the year of the Award announcement and Fellows must commence their postdoctoral training no later than November 1 in the same year, or risk that the Foundation may rescind the Fellowship to the Institution.
- Fellows may generally use funds for salary, health insurance, or travel related to a scientific meeting; but not for the purchase of supplies or equipment or other fringe benefits without permission from the Foundation.
